- (a) an amount representing 40 per cent. of the basic pay in the existing scale shall be added to the 'existing emoluments' of the employee;
- (b) after the existing emoluments so increased, the pay shall be fixed in the revised scale at the stage next above the amount so computed.

Provided that -

Provided also that the fixation thus so made shall ensure that every employee shall get at least one increment in the revised scale of pay for every

three increments [inclusive of stagnation increment(s), if any] in the existing scale of pay.

Explanation :- For the purpose of this clause, "existing emoluments" shall include -

- (a) the basic pay in the existing scale;
 - (b) dearness allowance appropriate to the basic pay admissible at index average 1510 (1960=100), and
 - (c) the amounts of first and second instalment of interim relief admissible on the basic pay in the existing scale.
- (B) In the case of a Government servant who is in receipt of non-practising allowance, the pay in the revised scale shall be fixed in accordance with the provisions of paragraph (A) above except that in such cases the term "existing emoluments" shall not include Non-practising allowance and will comprise only the following :-
- (a) the basic pay in the existing scale;
 - (b) dearness allowance appropriate to the basic pay and non-practising allowance admissible at index average 1510 (1960=100) under the relevant orders; and
 - (c) the amounts of first and second instalments of interim relief admissible on the basic pay in the existing scale and non-practising allowance under the relevant orders and in such cases, non-practising allowance at the new rates shall be drawn in addition to the pay so fixed in the revised scale.
- (2) (a) Where the increment of a Government servant falls on 1st January, 1996 he shall have option to draw the increment in the existing scale or the revised scale.
- (b) Where a Government servant is on leave on the 1st January, 1996; he shall become entitled to pay in the revised scale of pay from the date he joins duty.
- (c) Where a Government servant is under suspension, he shall continue to draw subsistence allowance based on existing scale of pay and his pay in the revised scale of pay shall be subject to final order on the pending disciplinary proceedings.
- (d) (i) Where a Government servant is holding a permanent post and is officiating in a higher post on a regular basis and the scales applicable to these two posts are merged into one scale, the pay shall be fixed under this rule with reference to the officiating post only, and the pay so fixed shall be treated as substantive pay.
- (ii) The provisions of this clause shall apply, mutatis mutandis, to Government servants holding in an officiating capacity, posts of different existing scales which have been replaced by a single revised scale.
- (e) Where the existing emoluments as calculated in accordance with paragraph (A) or, as the case may be, paragraph (B), exceed the revised emoluments, the difference shall be allowed as personal pay to be absorbed in future increases in pay.
- (f) Where in the fixation of pay under sub-rule (1), the pay of a Government servant, who, in the existing scale was drawing immediately before the 1st January, 1996 more pay than another Government servant junior to him in the same cadre, gets fixed in the revised scale at a stage lower than that of

such junior, his pay shall be stepped up to the same stage in the revised scale as that of the junior.

(g) Where a Government servant is in receipt of personal pay on the 1st January, 1996, which, together with his existing emoluments as calculated in accordance with paragraph (A) or, as the case may be, paragraph (B), exceeds the revised emoluments, then, the difference representing such excess shall be allowed to such Government servant as personal pay to be absorbed in future increases in pay.

(h) In cases, where a senior Government servant promoted to a higher post before the 1st January, 1996 draws less pay in the revised scale than his junior who is promoted to the higher post on or after the 1st January, 1996, the pay of the senior Government servant shall be stepped up to an amount equal to the pay as fixed for his junior in that higher post. The stepping up shall be done with effect from the date of promotion of the junior Government servant subject to the fulfilment of the following conditions, namely :-

(i) both junior and senior Government servants should belong to the same cadre and the posts in which they have been promoted should be identical in the same cadre.

(iii) the senior Government servants at the time of promotion have been drawing equal or more pay than the junior.

(iv) the anomaly should be directly as a result of the application of the provisions of rule 41 of the Bombay Civil Services Rules 1959, or any other rule or order regulating pay fixation on such promotion in the revised scale. If even in the lower post, the junior officer was drawing more pay in the pre-revised scale than the senior by virtue of any advance increments granted to him, provision of this clause need not be invoked to step up the pay of the senior officer.

(v) the order relating to refixation of the pay of the senior officer in accordance with the above provisions shall be issued under the provisions of rule 51 of the Bombay Civil Services Rules 1959, and the senior officer shall be entitled to the next increment on completion of his required qualifying service with effect from the date of refixation of pay.

(3) Subject to the provisions of rule 5, if the pay as fixed in the officiating post under sub-rule (1) is lower than the pay fixed in the substantive post, the former shall be fixed at the stage next above the substantive pay.

8. Date of next increment in the revised scale :- (1) The next increment of a Government servant whose pay has been fixed in the revised scale in accordance with sub-rule (1) of rule 7 shall be granted on the date he would have drawn his increment, had he continued in the existing scale :

Provided that in cases where the pay of a Government servant is stepped up in terms of second proviso to paragraph (A) of sub-rule (1) and clause (f) or clause (h) of sub-rule (2) of rule 7, the next increment shall be granted on the completion of qualifying service of twelve months from the date of the stepping up of the pay in the revised scale:-

Provided further that in cases other than those covered by the preceding proviso, the next increment of a Government servant, whose pay is fixed on the

1st January, 1996 at the same stage as the one fixed for another Government servant junior to him in the same cadre and drawing pay at a lower stage than his in the existing scale, shall be granted on the same date as admissible to his junior, if the date of increment of the junior happens to be earlier:

Provided also that in the case of persons who had been drawing maximum of the existing scale for more than a year as on the 1st January, 1996, next increment in the revised scale shall be allowed on the 1st January, 1996.

(2) In cases where two existing scales, one being a promotional scale for the other, are merged, and the junior Government servant, now drawing his pay at equal or lower stage in the lower scale of pay, and happens to draw more pay in the revised scale than the pay of the senior Government servant in the revised existing higher scale, the pay of the senior Government servant in the revised scale shall be stepped up to that of his junior from the same date and he shall draw next increment after completing the qualifying period from the date of such stepping up of pay.

9. **Fixation of pay in the revised scale subsequent to the 1st January, 1996 :-** Where Government servant continues to draw his pay in the existing scale and is brought over to revised scale from a date later than 1st day of January, 1996, his pay from the later date in the revised scale shall be fixed under the Bombay Civil Services Rules, 1959 and for this purpose, his pay in the existing scale shall have the same meaning as of existing emoluments as calculated in accordance with paragraph (A) or, paragraph (B), as the case may be, of sub-rule (1) of rule 7, except that the basic pay to be taken into account for calculation of those emoluments shall be the basic pay on the later date aforesaid and where the Government servant is in receipt of non-practising allowance, his pay shall be fixed after deducting from those emoluments an amount equal to non-practising allowance, as the case may be, at the revised rates appropriate to the emoluments so calculated.
10. **Fixation of pay on reappointment after the 1st January, 1996 to a post held prior to that day :-** A Government servant who had officiated in a post prior to the 1st day of January, 1996 but was not holding that post on that date and who on subsequent appointment to that post draws pay in the revised scale of pay shall be allowed the benefit of the proviso to rule 41 or, as the case may be, proviso to rule 41A of the Bombay Civil Services Rules, 1959, to the extent it would have been admissible had he been holding that post on the 1st January, 1996, and had elected the revised scale of pay on and from that date.
11. **Mode of payment of arrears of pay :-** The payment of arrears arising on account of revision of pay for the period from 1st January, 1996 to 31st December, 1997 shall be regulated as under :-
 - (1) The fifty per cent. of total amount of arrears payable shall be credited in General Provident Fund Accounts of the Government servants concerned in one instalment after pay verification by concerned audit authority. This amount shall not allowed to be withdrawn before the 1st April, 2001, under the normal rules of General Provident Fund Rules.
 - (2) The twenty five per cent. of total amount of arrears payable may be paid in cash without pre-audit before 31st March, 1998.

(4) The employees who have retired, whose services have been terminated or who have died during the period from 1st January, 1996 to 31st March, 1998 shall be paid in cash.

(5) The employee who desire to credit the entire amount of arrears to his General Provident Fund account may be permitted to do so.

(6) The interest payable on the amount of arrears credited to the General Provident Fund account shall be given with effect from 1st January, 1998 irrespective of the date of crediting the amount of arrears in the General Provident Fund Account of the concerned employee.

Explanation :- For the purpose of this rule, -

(a) "arrears of pay", in relation to a Government servant, means the difference between -

(i) the aggregate of the pay and allowances to which he is entitled on account of the revision of his pay and allowances under these rules, for the relevant period; and

(ii) the aggregate of the pay and allowances to which he would have been entitled (whether such pay and allowances had been received or not) for that period had his pay and allowances not been so revised.

(b) "relevant period", means the period commencing on the first January, 1996 and ending with the 31st December, 1997.

Power to relax. :- Where the Government is satisfied that the operation of all or any of the provisions of these rules causes undue hardship in any particular case, it may, by order, dispense with or relax the requirements of that rule to such extent and subject to such conditions as it may consider necessary for dealing with the case in a just and equitable manner.

14. Interpretation. :- If any question arises relating to the interpretation of any of the provisions of these rules, it shall be referred to the Government for decision.

(૨) ચૂકવવાપાત્ર થતી તફાવતની કુલ રકમના પચીસ ટકા રકમ, પૂર્વ ઓડિટ સિવાય તારીખ ૩૧મી માર્ચ, ૧૯૮૮ પહેલાં, રોકડમાં ચૂકવી શકાશે.

(૩) તફાવતની કુલ રકમના બાકીના પચીસ ટકા રકમ, સંબંધિત ઓડિટ સત્તા દ્વારા પગારની યોગ્ય ખરાઈ કર્યા પછી, રોકડમાં ચૂકવી શકાશે.

(૪) તારીખ ૧લી જાન્યુઆરી, ૧૯૮૬ થી ૩૧મી માર્ચ, ૧૯૮૮ સુધીની મુદત દરમિયાન, જે કર્મચારીઓ નિવૃત્ત થયા હોય, જેમની નોકરી સમાપ્ત કરવામાં આવી હોય અથવા જેઓ મૃત્યુ પામ્યા હોય તેઓને રોકડમાં ચૂકવવામાં આવશે.

(૫) જે કર્મચારીઓ તફાવતની સમગ્ર રકમ પોતાના સામાન્ય ભવિષ્યનિધિ ખાતામાં જમા કરાવવા ઈચ્છતા હોય તો તેઓને તેમ કરવાની છૂટ આપવામાં આવશે.

(૬) સામાન્ય ભવિષ્યનિધિ ખાતામાં જમા કરવાની તફાવતની રકમ ઉપર ચૂકવવાપાત્ર વ્યાજ, સંબંધિત કર્મચારીના સામાન્ય ભવિષ્યનિધિ ખાતામાં તફાવતની રકમ જમા કર્યાની તારીખને લક્ષમાં લીધા સિવાય, તારીખ ૧લી જાન્યુઆરી, ૧૯૮૮થી આપવું જોઈશે.

**MEMORANDUM EXPLANATORY TO THE GUJARAT CIVIL SERVICES
(REVISION OF PAY) RULES, 1998**

Rule 1 - This rule is self-explanatory.

Rule-2 This rule lays down the categories of employee to whom the rules apply. Except for the categories excluded under clause (2), the rules are applicable to all persons appointed to Civil Services and posts in connection with the affairs of the State of Gujarat.

Rule-3 and 4. These rules are self-explanatory.

Rule-5 The intention is that all Government servants should be brought over to the revised scale except those who elect to draw pay in the existing scales. Those who exercise the option to continue on the existing scales of pay will continue to draw the dearness allowance and interim reliefs at the rates in force on the 1st January, 1996 and the dearness allowance will count towards the emoluments for pension, etc. to the extent it so counted on the said date. If a Government servant is hold a permanent post in a substantive capacity and officiating in a higher post, or would have officiated in one or more posts but for his being on deputation etc., he has the option to retain the existing scale only in respect of one scale. Such a Government servant may retain the existing scale applicable to a permanent post or any one of the officiating posts. In respect of the remaining posts he will necessarily have to be brought over to the revised scales.

Rule-6 This rule prescribes the manner in which option has to be exercised and also the authority who should be apprised of such option. The option has to be exercised in the appropriate form appended to the rules. It should be noted that it is not sufficient for a Government servant to exercise the option within the specified time limit but also to ensure that it reaches the prescribed authority within the time-limit. In the case of a persons who are outside India at the time these rules are promulgated, the period within which the option has to be exercised is three months from the date they take over the charge of the post in India. In the case of Government servants the revised scales of whose posts are announced subsequent to the date of issue of these rules, the period of three months will run from the date of such announcement.

Person who have retired between 1st January, 1996 and the date of issue of these rules are also eligible to exercise option.

Rule-8 This rule prescribes the manner in which the next increment in the new scale should be regulated. The provisos to this rule are intended to eliminate the anomalies of junior Government servants drawing more pay than their seniors by the operation of substantive part of this rule and also taking care of the Government servants who have been drawing pay as the maximum of the existing scale for more than one year as on 1-1-1996 and also those Government servants

who have been stagnating at the maximum of the existing scale and are actually in receipt of stagnation increment on ad hoc basis.

ગુજરાત રાજ્ય સેવા (પગાર સુધારણા) નિયમો, ૧૯૯૮ની સ્પષ્ટીકરણાત્મક યાદી

નિયમ - ૧ : આ નિયમ સ્વયં સ્પષ્ટ છે.

નિયમ - ૨ : જેમને નિયમો લાગુ પડતા હોય તેવા કર્મચારીઓનો વર્ગ આ નિયમથી નિર્દિષ્ટ કર્યો છે. બંડ (૨) હેઠળ બાકાત રાખેલા વર્ગો માટે હોય તે સિવાય આ નિયમો ગુજરાત રાજ્યના કામકાજ સાથે સંબંધરાવતી રાજ્ય સેવાઓ અને જગ્યાઓ ઉપર નિભાવેલી તમામ વ્યક્તિઓને લાગુ પડે છે.

નિયમ - ૩ અને ૪ : આ નિયમો સ્વયં સ્પષ્ટ છે.

નિયમ - ૫ : ઈરાદો એ છે કે, વિદ્યમાન પગાર ધોરણમાં પગાર મેળવવાનું પસંદ કરે તે સિવાયના તમામ સરકારી કર્મચારીઓને, સુધારેલા પગાર ધોરણમાં લાવવા. જેઓએ વિદ્યમાન પગાર ધોરણમાં ચાલુ રહેવાનો વિકલ્પ વાપર્યો હોય તેઓ, સન ૧૯૯૬ના જાન્યુઆરી મહિનાની ૧લી તારીખે અમલમાં હોય તે દરે, મોઘવારી ભથ્થું અને વચગાળાની રાહતો લેવાનું ચાલુ રાખી શકશે અને મોઘવારી ભથ્થું સંકરણું તારીખે, પેન્શન માટેના મળતર વગેરે પેટે તેવી રીતે ગણાયેલી મર્યાદા સુધી, ગણાશે. કોઈ કર્મચારી કાયમી હેસિયતથી કાયમી જગ્યા ધરાવતો હોય અને ઉપલી જગ્યામાં અવેજી ધોરણે કામગીરી બજાવતો હોય અથવા ડેપુટેશન વગેરે ઉપર તે ન હોત, તો એક અથવા વધારે જગ્યાઓમાં અવેજી ધોરણે કામગીરી બજાવતો હોત, તો તેને એક પગાર ધોરણના સંબંધમાં માત્ર વિદ્યમાન પગાર ધોરણ રાખવાનો વિકલ્પ રહેશે. આવી સરકારી કર્મચારી કાયમી જગ્યા અથવા અવેજી જગ્યાઓ પૈકી કોઈ જગ્યાને લાગુ પડતું વિદ્યમાન પગાર ધોરણ રાખી શકશે. બાકી જગ્યાઓના સંબંધમાં તેને સુધારેલા પગાર ધોરણમાં લાવવાનું જરૂરી બનશે.

નિયમ - ૬ : આ નિયમ, વિકલ્પ કઈ તારીખે વાપરવો અને કયા સત્તાધિકારીને આવા વિકલ્પની જાણ કરવી તે ઠરાવે છે. વિકલ્પ, આ નિયમોને જોડેલા યોગ્ય નમૂના-૧માં વાપરવાનો છે. એ ધ્યાન રાખવું જોઈશે કે, કોઈ સરકારી કર્મચારી નિર્દિષ્ટ સમય મર્યાદાની અંદરે વિકલ્પ વાપરે એટલું જ નહિ પણ તે સમય મર્યાદાની અંદર નિયત સત્તાધિકારીને પહોંચે. આ નિયમો પ્રસિધ્ધ થાય તે સમયે ભારતની બહાર હોય તેવી વ્યક્તિઓના કિસ્સામાં, વાપરવાના વિકલ્પની મુદત, ભારતમાં જગ્યાનો ચાર્જ લીધાની તારીખથી ત્રણ મહિનાની અંદર પહોંચે તેની ખાત્રી કરવી જોઈશે. જેમની જગ્યાઓનું સુધારેલું પગાર ધોરણ આ નિયમો બહાર પડ્યાની તારીખ પછી જાહેર કર્યું હોય તેવા સરકારી કર્મચારીઓના કિસ્સામાં ત્રણ મહિનાની મુદત, આવી જાહેરાતની તારીખથી શરૂ થશે.

તારીખ ૧લી જાન્યુઆરી, ૧૯૯૬ અને આ નિયમો બહાર પાડ્યાની તારીખ વચ્ચે નિવૃત્ત થયેલ વ્યક્તિ, પંજા વિકલ્પ વાપરી શકે છે.

Election to the Karnataka Board of Wakfs instructions to polling staff on the procedure of conduct of poll:

Presiding Officer :-

The duties and responsibilities of Presiding Officer at an election to Karnataka Board of Wakfs are the same as those at an election in Lok sabha or Assembly constituency. Therefore the instructions contained in the Hand Book for Presiding Officers are also applicable to election to Karnataka Board of Wakfs. However, it should be noted that the procedure of poll at an election to Karnataka Board of Wakfs differs from the procedure in an election to Lok sabha and the Legislative Assembly in the following respects :-

(i) Hours of Poll :- The Government of Karnataka has fixed the hours from 10 A.M. to 3.00 P.M. as the hours of poll for the election to Karnataka Board of Wakfs (In the case of an election to the Lok sabha or Legislative Assembly the total period allotted for poll shall not be less than eight hours generally commencing from 7.00 A.M.)

(ii) Distinguishing Mark :- Containing only serial number of the polling station as given in the list of polling stations should be stamped at the top right hand corner on the back of each ballot paper and its counterfoil. Where the rubber stamped of the required description is not available it will suffice if the serial number is marked by hand with the help of a pen or ball point pen. In addition, the Presiding Officer should also sign his full name on the back of each ballot paper (not on the counterfoil) just below the distinguishing mark as the Lok sabha, Assembly elections.

(iii) Indelible Ink :- The system of marking voters finger with the indelible ink has been made applicable to the Karnataka Board of Wakfs election. Hence, indelible ink will be supplied to polling station[s].

(iv) Symbols :- Since no symbols are to be allotted to the contesting candidates at Karnataka Board of Wakfs election, no symbols are printed in the ballot papers. Arrow cross mark rubber stamps will not be supplied to polling stations. Instead violet sketch pen will be supplied to each polling station/s for use of the voter marking on the ballot papers.

(v) Method of Voting :- Election to Karnataka Board Wakfs is held in accordance with the system of proportional representation by means of single transferable vote. Hence the method of recording vote to Karnataka Board of Wakfs is different from that an election to the Lok sabha or the Legislative Assembly. The votes by marking on the collor paper in column provided therefore, their preferences in the figures names 1,2,3 and so on in the international form

of Indian numerals or in the Roman form I, II, III, IV etc. preferences are to be marked only in figures and not in words. If marked in words like one, two, three so on, the ballot paper will be invalid. Each figure 1 is to be put against only one candidate irrespective of the number of candidate.

(vi) Since there is no provision for election agent at polling stations. Verification of signatures of voters on the counterfoil of ballot papers with the signatures in the Specimen signatures forms 4A is to be done to prevent impersonations. The Presiding Officer/Officers have the following additional responsibilities.

A) On the mustering day :

1) Along with other Polling material each Polling party will be supplied with :-

(i) Specimen Signatures forms submitted with the application made for registration in the electoral roll Form 4A by the electors assigned to each Polling stations arranged in the serial order and

(ii) three copies (one each in English, Kannada and Urdu) of the following description :

CAUTION

To check impersonation before issuing the ballot paper the signature of each voter on the counterfoil of the ballot paper will be verified with the signature of the voter in the Specimen signatures form submitted with the application in Form 4A made by him/her for registration in the Electoral

Roll. If the signatures does not tally, and adverse inference will be drawn and action will be taken to prosecute him/her for impersonation.

(Election Officer)

The Presiding Officer on receiving the materials should carefully check the specimen signature forms supplied and satisfy that :

(1) Specimen signature forms in Form 4A of all the voters assigned to Polling Station of which the Presiding Officer are available ;

(2) Specimen signature forms of each elector bears at top of the serial number given to the elector in the electoral roll ;

(3) Two copies of poster referred to above are supplied. Any omissions noticed should be brought to the notice of the officer in charge of mustering before leaving for Polling station. The Presiding Officer may take the assistance of his Polling Officer for checking the specimen signature forms.

II. On reaching the polling station :

(1) The Presiding Officer will once again check the specimen signature forms to ensure that the specimen signature forms of each elector assigned to the polling station of which he is the Presiding Officer has been supplied and it bears the corret serial number as given in the electors are arranged in the same serial order in which their names appear in the electoral roll. If they are not arranced in proper serial order action should be taken to arrange them in the serial order.

(ii) He should also see that copies of the poster supplied are displayed prominently outside the polling station.

(iii) The Presiding Officer should explain to the Polling Officer their duties in detail, particularly in regard to the procedure of verification of signature on the counterfoil of ballot paper with the signature in the specimen signatures form until he is satisfied that they have understood them thoroughly.

B. On the day of poll :

The Polling Officer in charge of ballot papers will refer the case of voters whose signatures in the Specimen signature forms to the Presiding Officers for final decision. The Presiding Officer in such cases will proceed as follows:

(i) He will take two or more signatures of the person concerned on a separate sheet of papers as considered necessary and verify them with the signature in the specimen signature forms made by the elector he claims to be for enrolment in the electoral roll.

(ii) Call upon the person to produce evidence to prove that he is the voter he claims to be and

(iii) make such enquiries as considered necessary.

(2) After taking action as above:

(i) If the presiding Officer is satisfied that the signatures tally and that the person is the voter he claims to be he may be permitted to vote and the Specimen signature form sent back to the polling officer in charge of the said form for being kept separately alongwith such other forms of the electors who have been allowed to vote after verification of signature.

(ii) If the signature does not tally but the presiding officer is satisfied that it was not a deliberate attempt of impersonation but a genuine mistake on the part of the person the person should not be permitted to vote but may be allowed to leave the polling station.

(iii) If the signature does not tally and if the Presiding Officer is satisfied that it was a deliberate attempt of impersonation the person concerned should not be permitted to vote and he may be handed over to the police on duty with a letter of complaint.

(iv) In the cases referred to at (i) and (ii) above, the specimen signature forms should be sent back to the Polling Officer concerned for being restored to their original places in the bundle of the specimen signature forms, signatures in which are still to be verified.

(3) It is the responsibility of the Presiding Officer to ensure that the procedure of verification of signatures as above is scrupulously followed by the Polling Officer, who is entrusted with this duty. It may be noted that if the procedure is followed strictly, there will be no tendered votes.

Duties of polling officers at a single election either from a Graduates constituency or a Teacher's constituency:

Polling party consists of one Presiding Officer and two Polling Officers :

First Polling Officer : The first polling officer will be incharge of marked copy of the electoral roll. He will be responsible for identification of voters. As and when a voter approaches him, he will draw his attention to the poster displayed outside the polling station regarding verification of signatures and explain the implication, in case, the signature on the counterfoil of the ballot paper does not tally with the signature in the specimen signatures submitted with application (form 18/19) of the elector, the voter claims to be hereafter he will locate the name of the voter in the marked copy of the electoral roll on the basis of the name and other particulars furnished by the voter and also with the help of the unofficial identity slip if any brought by the voter (Identity slip brought by the voter should be destroyed immediately after locating the name). The marked copy of the electoral roll consists of the main roll and the two sets of lists of amendments. If name is not found in the main roll, the list of amendments should be referred to. In the electoral roll names are arranged in alphabetical order. However, if it is not found at the place where it should be according to the alphabetical order, it should not be straight away concluded that the name is not in the roll. The entire roll including the lists of amendments should be gone through to locate the name. After locating the name of the voter in the roll, the first polling officer will call out loudly the paper number, part number and serial number and the name of the voter to the hearing of the polling agents and other polling officer/s. If there is no challenge as regards the identity of the voter and if the voter is permitted a vote after

certification of the signature in the counterfoil of the ballot paper with the signature in the Specimen signature form submitted with (Form 18/19) made by the voter for enrolment in the electoral roll (to be ascertained from the second polling officer who will be in charge of ballot paper and verification of signature) the first polling officer will underline the entry relating to the voter in the marked copy of the roll and where the elector is a female, make a tick mark on the left hand side of the name of the female voter.

Second Polling Officer : The second polling officer will be in charge of ballot papers, specimen signature forms, indelible ink and violet sketch pen. As the first polling officer reads out the name and serial number of the voter, the second polling officer will take out the form of Specimen signature of the elector he claims to be and take the signature of the voter on the counterfoil of the ballot paper verify it with the specimen signature and only if the signature tally, apply indelible ink (Procedure to be followed in this regard given at the end of page 8)* and then detach the ballot paper from the counterfoil, fold it first vertically, then horizontally unfold it and give it back to the voter along with the violet sketch pen for marking on the ballot paper, and direct voter to proceed to one of the voting compartments where he has to mark on the ballot paper. The Second polling officer should take back from the voter immediately after he comes out of the voting compartments after marking on the ballot paper the violet sketch pen supplied to the voter for marking on the ballot paper. The specimen signature form of the elector

IV-A EX. 41-13.

who has been allowed to vote after tallying the signatures will be kept separately without mixing them with the specimen signature form, signatures in which are still to be verified.

In case, the signature on the counterfoil of ballot paper does not tally with the signature in the specimen signature forms, polling officer will direct that person and also hand over the specimen signature forms of the elector he claims to be to the presiding officer for further verification and final decision. After each such case is finally decided by the presiding officer, the specimen signatures form, signature in which does not tally with the signature on the counterfoil, will be restored to its original place in the bundle of specimen signature forms in which the signatures are still to be verified and the specimen signature forms of the voter who has been allowed to vote by the presiding officer will be kept separately alongwith the other specimen signatures on the counterfoils of ballot papers.

In cases of the persons, who have not been permitted to vote as they were not found to be genuine voters after verification of signature and the inquiries made by the Presiding Officer, the ballot papers will be detached from their counterfoils on which such persons signatures were taken and after marking on the back the words "Returned Cancelled" should be kept in a separate cover supplied for the purpose. On the back of the counterfoils of such ballot papers also the words "Returned Cancelled" should be recorded.

Procedure to be followed in regard to application of indelible ink :

Before applying indelible ink, the voters left forefinger should be inspected to see that it does not bear any sign or trace of indelible ink and then put a mark with the indelible ink above the root of the nail in such a way that the ink also spreads on the ridge between skin and the root of the nail and a clear mark is left on the forefinger. Note that the voter need not be touched at the time of applying the indelible ink mark on his left gently pressed on the finger and rotated so that a clear mark is left on the finger. If the red is only lightly touched or rubbed against the voter's finger it will merely leave a smudge which is not sufficient. In case it is noticed that an elector has applied any oily or greasy substance on his finger such oily or greasy substance should be removed by the Polling Officer with the help of the piece of cloth or rag supplied before putting indelible ink mark on the finger of the elector. The voter should not be allowed to rub off the mark for at least half a minute after it has been applied on the finger.

By order and in the name of the Governor of Gujarat.
